# ⊕ BUILDING ⊕ CENTENNIAL

*Our building dates back to 1888. Over the course of six years, we completely gutted this 4-story building to the original brick walls, built a rear addition, and dug a basement.*

*We were able to salvage the 130 year old floor joists from our building and repurpose them throughout the bar, including the first floor bar top, tables and our front door.*

*An unexpected find – our 1940's Original Brunswick Art Deco bar. Rescued from a local steel factory's union club, we've been able to give this classic bar a new life.*

*Our handpicked floors were crafted by a small sawmill in Southern Michigan, where they transformed Michigan oak trees into our hardwood floors.*

*We love Founders KBS and used over a dozen KBS barrels to build our bar front.*
